Guidelines for Installation of Basketball Goals

1. Pole must be positioned to confine normal play to the driveway of the owner.
2. Basketball goals are allowed to face the street on a cul-de-sac if;
 - a) Placement is on your own property
 - b) Written permission is obtained from all owners whose lots face the cul-de-sac.
 - c) The goal is not portable
3. Goal, pole and net shall be kept in good repair at all times, as not to be considered a deed restriction violation.
4. The existence of the basketball goal must not violate Article III, Section 3.08 entitled "Prohibition of Offensive Activities", which states " No noxious or offensive activity of any sort shall be permitted nor shall anything be done on any lot nor shall anything be done thereon which may become an annoyance to the neighborhood".
5. The basketball goal shall have prior written approval from the Architectural Control Committee.
6. All portable goals must be kept upright in a fixed location as if it were a permanent goal.
7. If additional weight is needed for stabilization of a portable goal, it must be added internally and not in public view.

These guidelines shall be amended or modified from time to time as the Board shall deem appropriate.
