Houston TX 77058

Architectural Guidelines for Patio Covers

1. Prior written approval by the Architectural Control Committee is required.
2. Highest point may not exceed twelve feet (12')
3. No corrugated metal, glass, fiberglass, plastic, or resin based, or polymer based material will be allowed.
4. Roofs must be either open air wood style (e.g. lattice) or shingled to match the roof of the main residence.

These guidelines may be amended or modified from time to time as the Board shall deem appropriate.
